All hires are subject to availability, booking ahead is recommended.

As Turrumurra Music is closed on Sundays all equipment hired on Saturday is to be returned the following Monday. There will be no extra charge for the Sunday (as long as the equipment is used on only one day)

All prices subject to change and include GST

With every hire there is a \$20 maintenance deposit against small marks, scratches and leads which are returned in either poor condition or rolled badly/incorrectly. This deposit will be returned entirely at the discretion of the staff member on duty at the time of the return.

All items hired are the responsibility of the client. As such we will take deposits by way of credit card details, cash or cheques as a regular practice.

We are always happy to customise systems to cater for individual requirements and specifications. Just call for a quote. If you would like to discuss your needs please call Paul Dengate Monday to Friday.
